PHILOSOPHISCHES SEMINAR I DER UNIVERSITÄT(IN MAINZ

and the supplied to the court of the contract of the contract

20.4.62

Dear Professor Ferrater Mora,

· "我们还是我们的,我们就是一个事情,我们就是我们的,我们就是我们的。"

Thank, you very much for your kindletter. I shall inform Prof.Brüning to write a review of your book, Ser y la Muerte. I am happy that you are going to send me your book, Philosophy Today. I shall first read it carefully inpuder to consider which publisher would be most interested in it's eventual publication here. The publishing of a translation # in Germany, of an English book, is financially not very easy. For the translation of the book the publisher has to pay approximately 550 dollars. The comst. of the entire book making process would be, for a book of 250 sides, around 2000 dollars. Inorder to cover expenses alone, fifteen hundred copies of the book would have to be sold. As balf of Germany is under Communist yoke, there remain only about fifty million paople left. To that one can add Switzerland with about seven million, Austria is out of the question as both universities and professors alike have little money.

"I personally have never had any of my own books sell more than fifteen hundred copies. I shall, however, do my very best to ensure publication of your book.

I have sent you copies of some treatese of mine, and am sending you "Beyond Existentialian". I would also like to send you a copy of my book on Goethe, if you understand German. Should that not be the case, I would rather wait a year until the English translation has appeared.

I would like to ask you to register for a lectate at the "International Philosophy Congress", in Mexico, Autumn, 1963. As a member of the comité directuur I have spoken about this with the general/secretary, Prof.Curiel, Please write to him at this address: Prof.Curiel, Eugenie Sue, Mexico 5DF, n. 339, Col. Polanco. We wish to avoid a facod of Communist propagandists dominating the congress.

If you are in Paris in July-August, I shallbe most happy to visit you. Pleas-e let me have your address there in good time.

I would be extremely happy to know you personally. With my very best wishes, I remain

yours sincerely,

and the second of the second o
