Dear Professor Ferrater Mora:

Thank you for your letter of February 28. I am happy to inform you that the Lannoo Publishing Company has consented to publish Professor Deano's article in their first issue. I understand that Professor Kockelmann's has already notified Professor Deano that it will be published.

Also, you will be happy to learn that we have convinced Lannoo to publish some Spanish articles in the future. We simply feel that if at all possible we should continue having articles in Spanish appear-- after all, it is purportedly an international journal. In any case, we convinced Lannoo to accept one or two articles in Spanish every year.

We hope that you will be able to continue to solicit outstanding articles for us in the Spanish speaking philosophical world. If they can be written in German, French, or English then there is no problem. If they are written in Spanish we will still be able to consider them, but in terms of the above limitations.

Thanking you for your help in making MAN AND WORLD an important and representative journal,

Sincerely,

Calvin O. Schrag
