Dear Mr. Ferrater,

I wanted to write you to express my thanks for your kindness and help when I was in Philadelphia last week. My trip was very successful, and one of its nice aspects was being able to meet and talk with you. I am most grateful for your good bibliographical and other suggestions.

I will hope that I may have an opportunity to speak with you again when I return from Spain, at which time I hope the thesis will be well advanced. In the meantime I thank you again for your help and encouragement.

Sincerely yours,
