

Dear Professor Ferrater Mora,

Do you have yet a reprint of
your article on Wittgenstein that
was printed in the last issue of
the PPA? It is the most
thoughtful and ^{not} penetrating analysis
I ever read on the subject, and
I asked Mrs. Gubed to tell you so
when I read the German version
in the Monat, but she is still
"preparing" for a long letter to
you - but I do not want

to wait so long
