ARTS AND SCIENCES

DEPARTMENT OF PHILOSOPHY

Prof. J. Ferrater Mora  
Chairman, Dept. of Philosophy  
Bryn Mawr, Pennsylvania

Dear Dr. Ferrater:

This is to thank you for the trouble you took to answer our inquiries about Dr. Arlene Dallery.

May I also thank you personally for remembering to send me a copy of your new book "Cambio de Marcha en Filosofía." I haven't had time to read it yet, but I'm sure I will enjoy it, as I have always enjoyed everything you've written. I have found, however, an initial scepticism about this change of direction (as if it were yours) among readers both here and when I was last in Spain on Sabbatical (for a week or two).

By the way, if you haven't read my book on art, perhaps your wife will want to: I gave my last copy to Julian Marías whose son, the art historian, was to read it and see if it was possible to translate it and publish it in Spanish. But I haven't heard from Marías for over a year now (!).

How do you manage to be Chairman and so productive? I'm not Chairman of the department, just of a committee. I w'd never accept a Chairmanship while at my productive peak. So, with best and warmest wishes for your continued productivity, I remain yours,
