

I thank you so much for sending me your article and specially your so interesting book!
I am still going – en la méditant! through the latter. A period of “fatigue” made it difficult
to write earlier to you. Will kindly excuse me.

In remembrances of the nice hours we spent together, I send you very heartily my
warmest wishes: Merry Christmas and Happy New Year

I hope we soon will meet again and have the opportunity for a long “échange de vues”.

Sincerely yours
