Dear Basdekis:

My most sincere apologies for my delay in acknowledging receipt of the copy of your "Unamuno, Ortega, Ferrater Mora" paper. I enjoyed the paper very much when I heard it at Syracuse, and I have enjoyed it even more with a leisure reading.

I understand that your paper, as well as all the others read in Syracuse, will be eventually published in as special issue of a scholarly magazine devoted to Spanish literature. Jaume Ferran has all the details.

Thank you again very much for your fine paper  
Most cordially,.

*J. Ferrater Mora*
