

Dear Joe,

Thank you very much for your nice letter and for the material you sent to Mrs. Reever. She was very pleased.

I would have written sooner, but we were in Nova Scotia for a couple of weeks. Very restful and enjoyable except for an earache.

Hope you got a good report from your check-up and are feeling fine.

As you asked about the department chairman, I am enclosing a copy of his resume. He has already admitted in his deposition that he would not be promoted by the

standards set for me. Whatever they  
are.

Cases have begun again and am  
busy preparing for November 4<sup>th</sup>. I  
have some very solid witnesses, but some  
are slipping, sliding, or running  
with nightmares of retaliation. What  
an experience!

Again many thanks for your  
support.

Devotedly,  
Catherine
