Dear Jori,

Thank you very much for sending me an offprint of "Fictions, Universals, and Abstract Entities" and for the lovely, thoughtful inscription. I have just had a chance to read it, as we were away for a good part of the summer. I found it extremely interesting and have it on my desk to reread.

I had hoped to come up for my class reunion in May. It would have been wonderful to see you again. Now I am thinking ahead to December. I will write as soon as I know our plans.

I hope you had a good summer, there is still a bit left. Classes start here on Monday. We were in Maine again this summer, but H.C. had an operation in Boston early July and had to spend the time recuperating. As you can imagine, it wasn't the best of all possible worlds. He is almost well now and I had a rest and am feeling fine.

You must be happy having finished revising the dictionary. Have you made any more movies? I would love to see one. 'Til December.

Devotedly,  
Catherine
