Dear Professor Ferrater-Mora:

Thank you very much for your kind letter of March 1 in which you recommend publication of Dr. Caputo's article on Heidegger's philosophy. We highly appreciate your recommendation which will certainly make it easier for us to come to a final judgment. I have forwarded his essay to two members of our regular advisory committee and hope that they will agree with your (and my) view and accept this excellent study for publication in one of the future issues of our journal.

Until later.

Cordially,

Joseph J. Kockelmans
