Dear Ms. Insinger,

I acknowledge receipt of your letter of October 31, 1985.

Professor Juan Vázquez gave me an oral report on his manuscript on occasion on my visit to Santiago de Compostela, October 9. He answered in detail some questions I raised concerning his philosophical, particularly semantical, aims.

On the basis of this talk my impression is that Professor Vázquez's manuscript is suitable for examination in view of further publication. I will gladly read and comment on the manuscript whenever it comes in.

Sincerely,

J. Ferrater Mora
