Dear Peter:

As I told you, I signed copies of Claudia, mi  
Claudia (for yourself, Jaime, Nozick, Rebessa et  
caet. in Madrid) (by October 13, exactly). I asked  
Alianza Editorial to send all the copies to you by  
air mail. Unfortunately, as I learned today (see  
copies of letter enclosed), they were sent, by  
mistake, through surface mail. I sincerely deplore  
the mistake, for I wanted you to have the copies as  
soon as possible.

Since two months have elapsed since the copies  
were sent I expect that they have arrived, or that  
they will arrive within the foreseeable future. If  
not, please let me know.

With our best wishes for 1984 (and after),

Cordially,

*Genervat King*
