Professor José Ferrater Mora
1518 Willowbrook Lane
Villanova, Pa. 19085

Dear Professor Mora:

I wish to thank you very much for your evaluation of the work of my colleague, Professor Pilar Sáenz. Your commentary will be helpful to this University as it makes promotion decisions. The outside evaluation is essential.

If any of us at George Washington University can be helpful to you at any time in a similar endeavor, please do not hesitate to call on us.

Sincerely,

John A. Frey
