Professor José F. Mora
1518 Willowbrook Lane
Villanova, Pa. 19085

Dear Professor Mora:

Thank you so much for agreeing to give us your opinion on the work of Professor Pilar Sáenz. I am enclosing a copy of the book plus a recent article and an updated curriculum vitae.

Since promotion recommendations are made in early October, your expeditious attention to this would be greatly appreciated by this Department.

Again, thank you for your help.

Sincerely,

John A. Frey
Chairman

JAF/eon
