Dear Prof. Ferrater-Mora:

Dr. Miguel González-Gerth has been in communication with the General Libraries concerning the possibility of our acquiring certain of your works which are not a part of our holdings. I am very pleased to be afforded such an opportunity, and am writing now to inform you of the titles we would like to purchase, and of the way it must be done in order to conform to university and state accounting procedures.

I am attaching a mock invoice which illustrates the type of information we must have. Please check to make sure I have stated the prices correctly. You may copy the invoice onto your own paper, or, if you prefer, simply use the one I am sending. In either case, I must ask you to please add the appropriate date, your Social Security number, which will serve in lieu of a vendor identification number, and your signature. We will not be able to process the invoice without the two latter items.

Once we have your signed invoice I will ask Dr. González-Gerth to send the books, which are still in his possession, to us and we will proceed to make payment. I think I should warn you that, our bureaucracy being what it is, you will not receive payment for 4 to 6 weeks. I hope this will not be an undue inconvenience.

Please feel free to get in touch with me if you have any questions concerning this transaction.

Cordially yours,

*Mary H. Brennan*
