Dear Geddes,

According to José Ferrater Mora's *Diccionario de filosofía* 5th edition., 4 vols. (Madrid: Alianza Editorial) 1979 (7th printing, 1987), vol. IV, page 3513, Father Xiberta (Bartomeu Maria Xiberta i Roqueta) died 1967, the very same year when, according to *Enciclopedia Espasa. Suplemento anual, 1979-1980*, pag. 497, his book *El Yo de Jesucristo* was published. The author of the aforesaid *Diccionario* may be mistaken (he often is), but that seems to be all he knows at present about the Guiu de Terra specialist.
