Dear Professor Davidson:

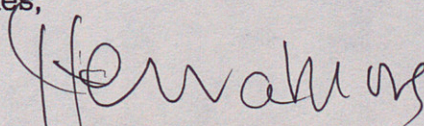

Professor Terricabras has informed me that he already apologized on my behalf because of my absence during the second week of Professor Quine's Seminar at the F.M. Chair for Contemporary Thought in Girona.

Nonetheless, I wish to express to you, more personally, my sincere regret for my absence. As Professor Terricabras undoubtedly told you, I could stay only the first week, for personal reasons (I still have some relatives in Barcelona, notably my sister, who fell gravely ill).

I know that the seminar was (as I had no doubts it would be) a complete success. It certainly added prestige to the Chair, and was extremely useful to all those attending.

I *especially* thank you for accepting to be one of the holders of the F.M. Chair (June, 1994). The Chair is not philosophically biased, but there is little doubt that it is strongly in favor of clear and rigorous thinking, and somewhat impatient with woolly thought. In this sense your acceptance is particularly welcome.

With my very best wishes,

J. Ferrater Mora
