

May 19-80

Dear friends

I hope that perhaps you will be passing through N.Y.C. and you could see each other. It will be good to hear from you. I will go to Barcelona and Nice from June 13-21 and then be here the rest of the summer. It will be a working to complete my book on Eric Weil and to visit Gerona

Do let me hear from you soon.

Sincerely  
[Signatura]
