WASHINGTON 5, D. C.

11 January 1949

Sr. Carlos Faust  
Jardin Botanico  
Marimurtra  
Blanes (Gerona)  
Spain

Dear Sr. Faust

We wish to acknowledge receipt and thank you for two publications dealing with the phytoplankton and crustaceae, which we have just received from you.

However, as I believe I have had occasion to point out before, since we maintain no central library here and can not therefore avail ourselves of such outside publications, I shall transmit them to the U. S. National Museum, here in Washington, in the hope that they will find these books of interest.

Sincerely yours

*Mae R. Grodsky*
