Dear Clifford:

I also enjoyed meeting you at dinner and receiving the information from the October 13, 1983 issue of the Philadelphia Inquirer on your step-father, Jose Ferrater Mora. Can you send me some more information on the Condecoracion Queen Isabella given by King Juan Carlos I of Spain; the Prince of Asturias Prize in the Humanities and the Great Cross of Alphonse X, the Wise. Once I have some background information, then I think we will be in a position to move forward.

Your step-father and I share the same birthdate. A Happy Birthday to him!

Best wishes.

Sincerely,

OLIVER FRANKLIN
