19, Boulevard Charles III  
Monaco, France

Dear Mr. Faust:

Now that the Spanish war is over I am wondering how your cactus garden stood the ordeal. We would like very much to hear from you and we hope that you can now continue with your garden.

Do you still want a set of Britton and Rose, "The Cactaceae"? If there is anything that we can do to help you please call on us.

With kind regards

*Scott E. Haselton*
