Professor Jose Ferrater Mora  
Thomas Library

Dear Mr. Ferrater Mora:

It scarcely seems almost a year ago that we were preparing the 1975 Philosophy newsletter, but another academic year has indeed passed. The newsletters have been so successful with alumni of the Graduate School that this summer we are trying to compile them early, in order to send them not only to Graduate alumni but, next February, to those who received A.B.'s from Bryn Mawr within the past ten years.

We hope to stimulate or create interest in the college among the younger alumnae, as we have been doing with those from the Graduate School.

To this end, we once again would like a paragraph from each member of the department, outlining research, publications, interests, and in addition this year, a few words about particular classes being taught. We have previously concentrated on individuals, not courses, but feel that the latter would be of interest to both undergraduate and graduate alumni.

Would you be good enough to get in touch with me, to let me know whether or not you would like me to contact other members of the Philosophy department. I shall be happy to write the newsletter over the summer, if you can put me in touch with or provide the information.

Thanks so very much.

Sincerely,

Betsy MacIntosh
