Dear Professor ^{Francis} Mora,

The Sept. 18 JOURNAL OF PHILOSOPHY lists your new paperback: CAMBIO DE MARCHA EN FILOSOFIA.

Has this been translated and published in English?
If so, I would like to know about it.

I will have to read it, since your comprehensions of philosophy, today especially, are always insightful, and I always learn from, as well as usually agree with, what you write.

Cordially,

Archie J. Bahm
