My dear Professor Vicens Vives:

This is a regrettably belated acknowledgement of the letter you were kind enough to write me regarding my review in the American Historical Review of the Bibliografía Histórica de España e Hispanoamerica. What was said there was declared in all sincerity as a nobly merited commendation of the magnificent bibliographical work being done by you and your collaborators at the Centro.

I enclose an offprint of a recent article in which I have again had occasion to bring to the attention of scholars in this country, this time primarily Ibero-Americanists, the Bibliografía, the Indice Histórico Español, and your own important historical writings.

Please accept my grateful thanks for your kind offer to be of service to me. May I return the compliment by suggesting that if in any way I can assist you in problems connected with publications in the United States, I shall be happy to do so.

With all best wishes to you and to your scholarly labors, so fruitful for the advance of Spanish historical studies,

Sincerely yours,

C. J. Bishko
