Dear Professor Vicens

Rather belatedly I am sending you herewith a cheque for ptas. 300 as a little token of our appreciation of the lecture you gave at the Institute. I should be very grateful if you would accept this slight sum which could in no way be a recompense but only as I have said a token.

I wish to thank you once again for your very great interest in the Institute and hope you will continue to give us your collaboration and friendship.

Yours sincerely,

Robert K. Brady
