

GREAT MILTON HOUSE,
OXFORD.

GREAT MILTON 24.

Dear Professor Vicens Vives,

It is
a great hope of mine that,
if and when you come
to lecture in Oxford, you will
come and stay with us. Warden
Deakin tells me you hope to
come some time next year.

As perhaps you
know I am working on
Spanish history in the
nineteenth century. I shall

be near Barcelona for a few
days around July 15th and
I would like to meet you ~~for~~
~~or~~ Might you be able to
have luncheon with me? If there
are any historians working on the
nineteenth century in your faculty I
would like to meet them. I would
especially like to meet some one interested
in the sales of church lands before
and after Mendizabal.

If we could meet perhaps
you would write to me

Yo The Lord Altrincham,

Castillo Tamarit

Palafrugell,

y Prov. Gerona.

Yours sincerely

Raymond Carr.
