Dear Professor Vicos,

I was so
sorry to miss you both at Tamarice
and at Barcelona. But we will meet
I hope in England.

I had to rush away from
Barcelona because I wanted to see Cabrera's
battle grounds: I stayed at Novella and
Canta vieja and this explained a great deal to me.
Since then I have been in Los Hornos for I wanted
to see a real ~~suburban~~ marginal ~~architecture~~ ^{agriculture} in Spain: then
to Pesalta to see a typical regadío.

I look forward to our meeting in
England. I go back after staying with Julio Caro Baroja
Yours wth Raymond Carr.
