Dear Professor Vicens,

Thank you for your
kind letter and the books. I am
so glad you enjoyed your time here:
from our point of view your visit
was a great privilege and a great
success. We look forward very
much to seeing you again.

I have forwarded
the bills to St Anthony's so
that I can send you any books
you may wish to buy with
the ~~of~~ money. If you let me

know the titles I will get
Blackwell's to forward them.

Your own book

El's Catalans en el segle XIX

has opened up a great
field for me: there is a great
deal of work I shall have to
do on the economic and social
history of the nineteenth century. I
have now more or less finished
what I have to say on the XVIII
century; it is very amateurish
but I must get on to the
later material: luckily I
hold of Ferrand e Domingus

Ortiz's book in your Historia
Social y Económica.

You promised kindly
to send me books of 2 needed items.
I enclose a list! It is very long
& if it gives you too much trouble
please do not bother but
hand it on to José Porter. If
you do get them yourself, ~~if~~
~~you~~ could tell me the total
cost in pesetas I will send
you an International Money
Order.

Again it was a
great pleasure to have you here. Your
lectures were a great success &
I hope you will soon be with
us again.

Our regards to you & your wife

Yours ever

Raymond Cunn
