Dear Professor Vicens,

I was delighted to hear from the Warden of St. Anthony's that you are able to come and lecture in December. I hope very much that you will be able to stay with me during your time at Oxford.

We ought to make some arrangement for meeting. I wonder if you could tell me the time at which you expect to arrive in Oxford. I could then meet you at the station.

I am looking forward very much to seeing you.

Yours sincerely,
