Prof. Jose Ferrater Mora
Department of Philosophy
Bryn Mawr College
Bryn Mawr Pa.

Dear Prof. Ferrater,

Thank you so much for your kind letter
and for the statement granting me permission to
use your article. I appreciate this very much.

I think that it will be easier if you send the
completed manuscript directly to the University of
Notre Dame. My address there is 189 Memorial Library.
I will be home about the middle or end of August,
and that way, transporting of the ms. will be easier
and you have only to send it there inside the States.

With renewed thanks for your wonderful cooperation
and best wishes for your success in all your undertakings,
I remain, with kindest personal regards,

Very truly yours,
A. Robert Caponigri
