Sr. Daniel Cosío Villegas
Apartado 2123
Mexico D.C.

Querido amigo:

Just a note to suggest that you send
review copies of your two volumes on modern
Mexican history to the following address

Professor Jaime Vicens Vives
Centro de Estudios Internacionales
University of Barcelona, Spain

Prof. Vicens directs the Índice Histórico
Español which is the most important biblio-
graphy on current history that has appeared
in Spain in many years.

With best wishes,

Sincerely yours,

Lewis Hanke
