Distinguido amigo:

By means of this letter I take pleasure in commending to your kind attention my good friend and colleague in the Department of History at the University of Texas, Professor Archibald Lewis, who will be visiting Barcelona some time in December with his wife. Professor Lewis is now on leave carrying on research in Europe in the field of his special interest, which is medieval history. Anything that you can do to make their stay in Barcelona pleasant and profitable will be deeply appreciated.

With best wishes,

Cordially yours,

Lewis Hanke
