Querido Amigo:

By means of this letter I take pleasure in introducing my friend and colleague in the field of Latin American history, Professor Thomas McGann of the Department of History in Harvard University. Dr. McGann plans to be in Spain with his family some months beginning about October 1 in order to carry on research relating to the history of Peru, particularly during the period 1542-1552. He also hopes to come to know the important historians and historical institutions in Spain. I know that your advice and assistance will be most valuable, and anything that you can do will be deeply appreciated.

With best wishes,

Cordially yours,

Lewis Hanke
