Querido Amigo:

I should greatly appreciate it if you would ask your colleague Professor Joaquin Carreral Artau whether any monograph or serious study has been made of the political thought of Professor Fernando de Roa who about 1482 lectured at Salamanca on the theme "de dominio et servo naturali." If so, I should be grateful if you or he would send me the exact citations so that I can look up the material.

With best wishes,

Cordially yours,

Lewis Hanke

P. S. I look forward to seeing you in London, as explained in my recent letter.
