DEPARTMENT OF HISTORY

Dear Professor Vicens,

May this letter kindly introduce to you the bearer, Stanley Payne, an American graduate student deeply and intelligently interested in modern Spain.

Remembering your kindness to me in similar circumstances in 1950, I could think of no one better equipped than yourself to give him the most stimulating and helpful leads.

May I also take occasion once again to compliment<sup>you</sup> on the greta<sup>u</sup> excellence and utility of the Indice Historico Espanol!

Sincerely yours,

Jahiel Jackson
