DEPARTMENT OF PHILOSOPHY

Professor Jose Ferrater Mora
Bryn Mawr College
Bryn Mawr, Pennsylvania

Dear Professor Ferrater Mora:

I was pleased to learn from you in Mexico City that you would be able to visit us at Lafayette next month. I believe you said that either the sixteenth or seventeenth would be satisfactory. Thursday the seventeenth turns out to be better for us and unless you inform us otherwise, we shall make our plans for that date.

The main event will be the public address at 8 p.m. Will "Images of Man" be your title? We would like you to arrive early about 5 p.m. and have dinner with some of our students and staff at 6 p.m. We would also like to arrange a brief reception at our honors house after the address. We hope you will be able to stay overnight at the honors house, and have lunch with us on Friday. If so, we may try to arrange an informal discussion for Friday morning.

We are looking forward to your visit here, and will advise you as to details before the seventeenth.

Sincerely yours,

George A. Clark
