Department of History

June 17, 1968

Dear José

I wanted to thank you very much for your congratulatory letter -- it meant more to me than I could ever adequately express. Your stimulus was decisive in starting, and in finishing, the book.

This summer I plan to start in earnest on the biography (now-and-then) of Pablo Iglesias. Spanish Socialism does not seem to me so much a deviate as historians would have it; what do you think?

Appreciatively

John
