Professor José Ferrater Mora
Department of Philosophy
Bryn Mawr College
Bryn Mawr, Pennsylvania

Dear Professor Ferrater Mora:

I have recently discussed with Professor José Luis L. Aranguren the possibility of his presenting a short course at Indiana University during the first half of the spring semester. Professor Aranguren's stature is well known to us, but in support of a substantial salary for him during this period I should appreciate a brief evaluation from you which I may present to administrative officials at Indiana University. I hope that you will be good enough to do me this favor. The letter may be in Spanish or in English as you find it convenient.

Sincerely yours,

John C. Dowling
