DEPARTMENT OF
ROMANCE LANGUAGES

April 23, 1958

Dear Professor Ferrater Mora,

I am very glad you can come on Friday, May 2, and can make it for lunch. We will be happy to greet you. I have a meeting from 10 to 11 but I will otherwise be completely free before lunch and will await you in my office - Gilman 2098 - at any time suitable to you. All of us look forward to meeting you.

I have had my share of early spring colds, which had made havoc of my correspondence. Please excuse my not writing before. It is poor René's turn this week, but he is getting back on his feet. After this ransom paid to the change in weather, spring is a most welcome successor to the hard winter we have had this year.

It will be a great pleasure to see you.

Cordially,
Cutha Edelman
