Dear Professor Vicens Vives,

It was a great pleasure to receive your "Approximation" to-day. You have given the book a characteristically modest title, but I know that, for me, it will be full of light. Thank you very much indeed.

I am sending you ^{you} a little book of mine which has just been published, though I actually made the translations in 1923.

All good wishes for Christmas from my wife and myself.

Yours very sincerely,

Dr. J. Vicens Vives,
