Dear Professor Ferrater Mora,

We were deeply sorry to hear of the loss of Mrs. Ferrater and you suffered. These exceptions require extra care. I know what troubles mean. Mrs. Ferrater must have gone through, especially until your arrival. We hope that this summer from now on will be good for you all, and that you will all have a renewing rest.

Thank you for your very kind letter, and for the grades, which have been entered. It is for me to thank you, we were fortunate to have the support of your collaboration, and deeply appreciated it. I am very glad to know that it was pleasant and interesting for you.

I look forward to our meeting again, and soon. I recall your giving me a note on your summer schedule for this summer, but, to my astonishment, I cannot find it. I did some experimenting riding up of my appalling dates, but in my excitement must have made more than one slip. Have your plans had to be changed now? In any case, could you let me know again whether you will be in Paris from August 5 to August 10? If you are, and if...
That is not a bad time for you, we would very
much like to see you. I am sorry to put you
to the trouble of briefing me again. In case
I've mentioned the total to which we planned to
stop in Paris, please disregard it. In the whole
we may cancel it, as there is the possibility that
we will stay at the home of friends in Bordeaux.

With all our sympathy, and warmest good wws

Sincerely,

[Signature]

P.S. My home address will be sent three days:

3613 Cronson Road,

Baltimore

P.S. June 22! As that note I shot, I had
your Paris address! I've been trying to get
it from Rans, but he just came back from
a brief vacation in Cape Cod! Sorry about
the delay.
