**OFFICE OF THE DEAN OF THE COLLEGE**

Dear J. M<sup>r</sup> + R.

Don't worry about Jaime  
- he will temporarily accept  
Penn State and Casensio  
has word that chances at  
Haverford are good. J.  
was at Columbia yesterday  
but I won't have a  
chance to talk with  
him about it until  
to-morrow. He is  
staying at the Nabors'  
because my parents in

law unexpectedly arrived  
from England. These  
exhausting the space in  
my house.

I think Penn State  
would be O.K. - since  
architecture is not necessarily  
J's final choice - I wouldn't  
worry now about the  
Arch. School - I have a  
feeling he'll end up in  
Lib Arts anyway.

Best wishes
