

Dear José María

To-day has been the day- Ford Foundation is living us 2 ½ million (raise 7 ½) and the down payment will be 650,000! Kathy is writing to almost all in time – but is now busy composing a speech so I promised I'd let you know.

Salaries will go up again.

Hope you had a good flight and that the summer will be fine for all three. Cordially

[signatura]
