

Friday a.m.

Dear Ferrater Mora -

Yes, I enjoyed  
our talk of the other day  
and I certainly could  
do with encouragement  
re/ my photography.

I enjoyed  
reading the Parable  
although I am not in  
complete accord with  
your reactions to easy  
Rides and Hair.

I talked  
to several people and

I wonder if Monday,  
March 9th would be  
convenient for you to  
show your films in  
Edman's Cathedral at  
7:30 p.m.? If it is, I'll  
ask the dorm president.  
I'm looking forward to  
seeing them! I'll try to  
find you in your office  
(clearly (and ~~wisely!~~)  
Friday a.m. is not an  
at-home time) or else  
give you a ring next  
week.

I am off to discuss  
the financing of my  
photography hopes... perhaps  
I'll photograph commuters  
on the train again. Hungry boy

I am glad (!) you  
retracted your categorization  
of me - in jest or otherwise, and  
it is more than "nice" to find someone  
with similar interests - Dorothy
