Dear José M<sup>a</sup>- I'm very glad that you will come to Boston next October and will inform the others members of the Organizing Committee all who will be very pleased indeed. They are Ellen Friedman (Boston College), Rudi Cardona (B.U.), M. Resnick (MIT), M<sup>a</sup> Luisa Osorio (U. Mass/Boston) + Claudio Guillen (Hvd) you will hear from me on all of them! Plans go well + we expect a brilliant company of speakers + panelists. Thank you so much for Claudia mi Claudia + the volume of stories. They arrived in the morning mail and I shall begin reading immediately. What a Renaissance Man you are philosophy, films, novels + cuentos! Films too- only Broadway remains. Your accomplishments are truly most remarkable. Congratulations on the award of the Príncipe de Asturias Prize. The best. Thank you again + with all good wishes.

Cordially,
