**Dear Professor Ferrater:**

Dorothy Marshall has passed on to me your letter of October 30, and I and the other members of the organizing committee are delighted to learn that you will be able to participate in our symposium on October 16-19, 1986.

We have not yet determined the format for each of the sessions, but we had planned on a combination of brief communications and round-tables. I would agree with you that a heavy dose of papers can be somewhat *pesado*. In any case, I shall be in touch with you as our plans progress.

Please accept my warm congratulations on your receipt of the Principe de Asturias prize in the humanities. It is a well-deserved honor. I look forward to meeting you in October.

Sincerely yours,

  
Ellen G. Friedman
