Prof. Deakin
The Warden
St. Anthony's College
Oxford

Dear Prof. Deakin,

Once back in Barcelona, after my stay in England, I should like to take my first opportunity to send you the testimony of my thankfulness for your very pleasant invitation, which allowed me the experience of visiting Oxford University and the chance of meeting the History professors who lecture there.

It is also difficult to forget the great number of attentions you had with me, and the friendliness I found everywhere in England.

Sincerely,

Prof. Jaime Vicens Vives
