Dear Professor Ferrater-Mora:

I am delighted that you kindly agree to serve as an Associate Editor of our JOURNAL, and that you already have on hand an article for the first issue on "The Language of Religious Experience." Please have it translated into English and let me have it as soon as possible.

I will be glad to receive an article from Dr. Cohn on Heidegger's conception of Dasein and the idea of Gad. Please ask her to prepare it for me. It could not appear in the first issue, so that she will have abundant time to work on it.

Thank you for the article and for your invaluable assistance.

Sincerely,

Edgar H. Henderson
