

For Priscilla and José,
BEST WISHES FOR CHRISTMAS AND THE NEW YEAR of 1988
From
[Signatura]

You are both well?
You are both writing?

I have been so fatigued from moving and) settling in to a new place (1455 Madison Ave., B-4, Bridgeport, Conn. 06606) that I have not felt in the best shape and I have not been writing. But I'm taking all the measures in my power to get in better shape and get in a position to start in on my next paragraph. (And yet, I confess, I still am settling my things in – and I don't know when I'll be through!).

I don't know when I'll be down next, but I'll have to see you for talk.

Affectionately
