My dear Friend & Colleague:-

The week end of May 25-26 is just as good for me as the previous one. I shall be glad to see you & your son. We have no decent hotel in town, but there are conveniently located Motels. The nearest is Middletown Motel in Route 617 (take exit 67 from the Parkway [part of the way it's Merritt Pkay and that becomes Wilbur Cross Pkway]. There is another Motel a little further away -i.e. which you come to a little before a Middletown called Crestline Motel.

I should try Middle town Motel first because nearer & if there is no vacancy you could without too much inconvenience double back. 617 is on the Meridian-Middletown road. I don't seem to have received a copy of your new work.

With every good wish.

Cordially,
